Jason,

I talked to Tammie Hynum at ADEQ and she indicated that they had been talking to the mayor regarding the site being referred to EPA for cleanup. She indicated that she would be available to meet with the Mayor in early January. Charles, Annette, Jason what is your availability the week of January 6 or January 13th? Jason can you coordinate with the mayor once we know what days works for most and set up a meeting. Please reply to all on availability. I am available either week-
